

Peachboat Warranty Terms and Conditions

1. This warranty applies only to products where a 1 year, 2 year, 3 year, or 5 year warranty against defects is expressly stated as given in connection with the product listing on ebay.com.au. (the “specified warranty period”).

2. This warranty and its terms are given to the named purchaser or buyer of the product to which this warranty applies (“you”), and is not transferable to any other person.

3. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure (“Consumer guarantees”).

4. These consumer guarantees are different to, and separate from, this warranty, which is given voluntarily by the Warrantor. The time limit of consumer guarantees varies depending on the price and quality of the goods and may extend beyond this warranty or any applicable warranty provided by the manufacturer of the goods.

5. This warranty applies in addition to other rights and remedies you may have under the Australian Consumer Law or any other law.

6. Subject to the terms and conditions of this warranty, where your goods are defective within the specified warranty period, the Warrantor agrees to provide you with a replacement (where available) or a store credit or a refund for the full amount of the purchase price if a replacement is unavailable.

7. The specified warranty period commences on the date the product is delivered to your nominated delivery address. Where no proof of delivery is available, the specified warranty period commences upon receipt of the goods by you or 3 days from the date the goods are dispatched to you.

Unless otherwise required by law, you will bear any other costs incurred in making a claim under this warranty.

In such cases, you agree that we may hold your goods until such payment is received by us.

14. This warranty will not apply in circumstances where:

1. the goods have not been installed, maintained, operated or used in accordance with the manufacturer's instructions or any other specifications provided with the goods;
2. where damage or defects are caused by deliberate or negligent misuse or abuse, physical alteration, fire, liquid spillage, use of incorrect voltage, power surges or dips, thunderstorm activity, force majeure, voltage supply problems, tampering or unauthorized repairs by any persons, use of defective or incompatible accessories, computer viruses, corrosive conditions or introduction by an insect, pest or other foreign body;
3. where damage results from any third party software or hardware not provided by us;
4. where items are lost or stolen; and
5. in relation to repairs of batteries, where the batteries have not been used in accordance with specifications or they expire by normal use.

15. Our liability under this warranty shall not exceed the amount of the purchase price of the goods or the replacement of the goods with the same or a similar product, and expressly excludes any additional or consequential loss or damage suffered by you or any third party to the fullest extent permissible by law.

16. In the event that storage media ordered from us becomes faulty, fails or otherwise detrimentally affects software or data stored on it, except as required by law, we are not to be held liable for any loss or damage to the software or data, howsoever arising.

17. You should maintain a backup of all software and data stored on your devices. If you return media (such as a hard disc drive), whether separately or as a part of a larger electronic or computing product, to us for any reason, including for replacement or repair, we will not be responsible for any software or data stored on the media. We make no representation that we will be able to repair or replace any product without risk to or loss of the software or data.
